

TTT 393. "Your Voice Matters" Tips for new and inexperienced speakers. 17 December 2024

Teaching Tip 393 | "Your Voice Matters" - Tips for new and inexperienced speakers. An appeal for help" | Malcolm Cox

If you are an inexperienced preacher or teacher of Scripture, what is your biggest need? What barriers do you need to overcome? What help would be useful so that you could be the best you can be? Also, if you listen to inexperienced speakers, what would be your top tip to them?

As you may know, I have published weekly tips for preachers and teachers for many years. Today's recording is the 393rd. Of all those, my most watched video, "How to Preach for the First Time" (2017), has been viewed 68,670 times as of this writing. Clearly, there is an appetite for materials to assist inexperienced preachers and teachers.

Therefore, I am creating a multi-part video series for new and inexperienced speakers. It will start in January 2025. Each video will focus on one tip and last approximately five minutes. The tips are intended to be simple, direct, and actionable.

Please send me your top three tips for an inexperienced preacher or teacher. They could be focused on preparation, presentation or both. One or two sentences will suffice.

Please send me your tips by the end of December. That will give me time to sort through them, write the episodes, and start recording.

Many thanks for your help in equipping the next generation of teachers and preachers.

Please add your comments on this week's topic. We learn best when we learn in community.
